#### Section 1V - Inland Barge Traffic.

There is no inland barge traffic.

#### SECTION V - Water Supply.

The Newcastle & Gateshead Water Company, supply both the port and shipping from town mains. The water is sold to the Harbour Commissioners who are responsible for supplying the ships. Supply is carried out by means of hydrants and hose-pipes. The hose-pipes are kept in the stores belonging to the Harbour Commissioners and flushed before being used. There are no water boats.

#### Section V1 - Public Health (Ships) Regulations.

##### 1. List of Infected Areas.

The weekly Epidemiological Report of the World Health Organisation is received by the Authority and copy forwarded to the Customs Officer who receives the declarations of health coming from ports other than excepted Ports. These are then forwarded to the Council Offices.

##### 2. Radio Messages.

Link-up radio telephone through radio station Cullercoats to ship.

##### 3. Notification otherwise than by radio.

Signals received by Coast Guard Station and communicated by telephone to Harbour Master's Office.

##### 4. Mooring Stations.

Should any infectious disease exist on board, the ship is moored to the west jetty and quarantined until the proper steps are taken.

##### 5. Arrangements for :-

###### (a) Hospital accommodation for Infectious Diseases.

Isolation for infectious diseases would be provided in Walker Gate Hospital, Newcastle-Upon-Tyne.

###### (b) Surveillance and follow up of contacts.

Surveillance and follow up of contacts is carried out by the Medical Officer of Health and Public Health Inspector.

###### (c) Cleansing and disinfection of ships, persons, clothing and other articles.

Cleansing and disinfection of ships, persons clothing and other articles are carried out when required under the supervision of the Public Health Inspector.
